HAND-CRAFTED INTERIOR & DECORATIVE OBJECTS AROUND THE GLOBE

# La Casa

We deeply believe that every interior whether it's small or big has a strong relationship with its owner. This relationship gives us such a unique story about the history, tradition and style of living of its creator.

Each product of La Casa Antica is designed in-house and carefully hand-crafted by artisans around the world, collected by the creators of the brand.

Come and enjoy the world of La Casa Antica with us!

## Cotton Ikat

Every single pattern of Ikat, whose raw material is predominantly silk, has characteristic features. Some even describe this uniqueness as imperfect beauty.

Before weaving, the threads are covered with a waterproof material. Each of these stages makes Ikat fabrics unique.

## IKAT

A fabric dyeing technique originating from Indonesia, brings unique and timeless patterns to life. Unlike traditional weaving methods, ikat fabrics are first dyed and then hand-woven.

CERAMICS COLLECTION

ESTD 2022

## Ceramics

The pattern often consists of intertwined circles or triangle motifs. It is believed to represent the concepts such abundance, good luck and power.

These vibrant colors, intricate designs and repetition of geometric shapes now revive on our ceramics collection.

# CHINTAMANI CERAMICS

Chintamani, a traditional fabric pattern native to Central Asia, is associated with Ottoman and Persian cultures.
